

Your Future Roadshow Impact Report

Following the roadshow...

of students learnt more about Apprenticeships.

of students learnt more about University.

of students learnt more about Sixth Form & College.

of students learnt how to prepare for an interview.

In the academic year 2021/22, the Your Future Roadshow travelled to 15 schools across Coventry & Warwickshire to deliver impartial information to over 3000 year 10 students on Apprenticeships, Further Education, Higher Education, and Preparing for the Workplace. The roadshow supported these schools in reaching their Benchmark 7 by providing students with knowledge on what options are available for them post-16.

'It allowed a consistent message about the pathways available to go out to students and allowed quality information to be shared to a large number of students simultaneously.'
**Rebecca Fawcett (Careers Lead),
President Kennedy School**

'It went really well, the students engaged really well with the workshops. They learned a lot and will be much more well prepared for the decisions they need to make next year and beyond as a result.'
**Martin Webb (Careers Lead),
The Queen Elizabeth Academy**

'I most enjoyed learning about the different pathways I can take post-16 and the things I need to consider while making my decision'

'Learning more in depth about what I can do has made me less worried and want to research more'

'I enjoyed realising my opportunities aren't as limited as I thought'

88.7%
of students claimed that taking part in the roadshow make them think more about their future

**ASK
ABOUT
APPRENTICESHIPS**

'Students have referenced the roadshow and talked about their aspirations to get an apprenticeship or to apply for university in the future, so it has definitely planted seeds for thought for our students.'
Sarah Miles (Careers Leader), Stratford Upon Avon School

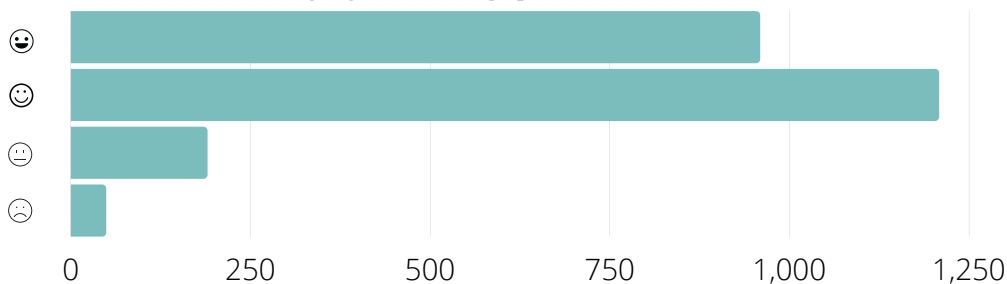

'I enjoyed FE the most as I was struggling on what to choose but now, I think I might choose college after learning more'

'I enjoyed learning more about an apprenticeship as it has made me consider the future'

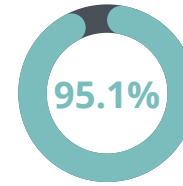

'I really enjoyed and found interest in how to improve an interview, applying for apprenticeships and A-Levels'

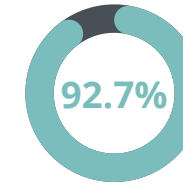

Did students enjoy taking part in the roadshow?

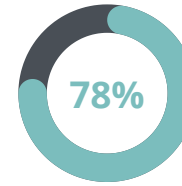

The Parent / Carer Event...

of attendees learnt more about Apprenticeships.

of attendees learnt more about University.

of attendees learnt more about Sixth Form & College.

To conclude the Your Future Roadshow, a parent/carer event was held at Metropolis Restaurant for Year 10, 11 and 12 students to attend with their parents / carers and receive presentations on Further Education, Higher Education, and Apprenticeships. The 55 attendees were also given information on where they can find more information on these topics.
